

The Arizona Petroleum Marketers Association (“APMA”) has announced that the exclusive APMA Buyers’ Guide (the “Guide”) — the premier resource of relevant products and services for petroleum marketing professionals — is now available on the APMA website at www.apma4u.org.

APMA partnered with Overland Park, Kan.-based Strategic Value Media, a leading nationwide provider of print and digital media solutions for national, state and local trade and membership associations, to produce the Guide. APMA is proud to provide its members with this useful and easily accessible year-round resource.

“This comprehensive Guide offers access to a vast network of industry suppliers,” said Amanda Gray, Executive Director of APMA. “We are very pleased with the work SVM has done with this Guide, which we anticipate will now greatly assist industry professionals in making educated purchasing decisions throughout the year. The response to this Guide by the industry has been impressive.”

The 2018 version of the Guide features updated and expanded company and product listings, in addition to other valuable information relating to the petroleum marketing industry. The Guide provides APMA members and other industry professionals with an efficient way to browse for goods and services. The Guide also offers petroleum marketing suppliers and companies exceptional visibility by showcasing their products and services to a targeted, industry-specific buyer group.

If your company or business has not yet taken advantage of this exceptional opportunity to highlight your products and services in the Guide, it is not too late! To learn more about advertising your products or services in this exclusive Guide, please email apma-advertise@svmmedia.com.
